Education

Vellore Institute of Technology (VIT), Bhopal

Sep 2024 – Sep 2028

Bachelor of Technology in Computer Science and Engineering
CGPA: 9.25 (Ongoing)

Govt. H.S. School, Awan, Guna (MP Board)

2024

Class XII – 94.4%

Govt. H.S. School, Awan, Guna (MP Board)

2022

Class X – 85.8%

Experience

PayPal Career Academy 2.0 — Participant (Online)

Mar 2026 – Aug 2026

- Selected for PayPal Career Academy 2.0, a 6-month program focused on software engineering, mentorship, and industry exposure.
- Engaged in technical learning sessions, problem-solving activities, and career development workshops.
- Collaborated with peers and mentors to improve technical and professional skills.

Projects

Smart Study Monitor (Productivity Monitoring System)

GitHub

Java | Spring Boot | OpenCV | Multithreading

- Designed a real-time webcam monitoring system using Java & Spring Boot.
- Implemented computer-vision features (face/eye detection) with OpenCV (Java).
- Generated structured CSV/Excel reports for user activity analysis.

Technical Skills

- Programming Languages:** Java, Python
- Backend & Frameworks:** Spring Core, Spring Security, Spring AOP, Spring JDBC, Spring ORM, Servlets, JSP
- ORM & Persistence:** Hibernate, JPA, Spring Data JPA
- Databases:** SQL
- Web Technologies:** HTML, CSS, JavaScript
- Tools:** Maven, Git, GitHub, Eclipse, VS Code
- CS Fundamentals:** DBMS, Operating Systems, Data Structures & Algorithms (DSA), OOP (Java)

Certifications

- Applied Machine Learning in Python – University of Michigan (Coursera)
- Programming with Generative AI – NPTEL (Elite, Govt. of India)

Problem Solving & Coding Practice

- Solved 300+ Data Structures and Algorithms problems on LeetCode and GeeksforGeeks.
- Strong problem-solving skills in Trees, Graphs, Recursion, and Backtracking with focus on efficient algorithm design.

Achievements

- Star Student, VIT Bhopal – Awarded Full Merit Scholarship
- District Rank 1 – MP Board Class XII (94.4%)
- Recipient of MP Government Scooty & Laptop Schemes
